1) WHITE CASTLE VEGETARIAN STUFFING

White Castle's original burger stuffing recipe is 25 years old! But, we're updating it "vegetarian-style" with Impossible SLiders. u can use it to stuff your bird or bake it off in a casserole dish.

Ingredients:

- 8-10 White Castle Impossible Sliders (you can find the regular sliders in the freezer aisle at grocery stores nationwide if you don't have a White Castle near you)
- 1 ½ cups diced celery
- 1/2 teaspoon ground garlic
- 1 teaspoon chili powder

- ¼ cup veggie broth

Directions:

- In a large mixing bowl, tear the sliders into pieces and add the celery, thyme, sage, and black pepper.
- Add ¼ cup veggie broth and toss well.
- Pace into casserole dish; add an additional ¾ cup of chicken broth, toss, and bake at 350 degrees for 35 minutes. The recipe makes about 9 cups of stuffing (enough for a 10-12 pound turkey).
